"BETTER THAN GREATEST OF STATURE"

More than three hundred years ago, an English monarch used this demanding phrase to proclaim the qualifications for the stately Beefeater of his time

Centuries later, these words eloquently define today's Beefeater" Gin. As English as London itself, every bottle of imported Beefeater Gin is prepared, with jealous heed, almost within bowshot of the Tower of London, The Beefeater Martini is anart from all others in its unique talent

for quickening enjoyment. Beefeater Gin effortlessly fulfils a monarch's mandate it [67] is indeed "better than greatest of stature"
